Ideas for Classroom Projects

- News reports for Language Arts
- World Tours in Social Studies
- Digital Storytelling in ELA
- Story Problems in Math
- Book reviews for Literature classes
- Interviews with historical characters
- Short Film Festival
- Green Screen Photography

What You Need to Get Started

1. An iPad (2nd gen. or later)
2. A Green Screen
3. Green Screen app by DoInk
4. Lights (optional)
5. External mics (optional)

Green Screen Tips

- Use a good quality green screen if you can, or paint a wall if you will do a lot of this.
- Make sure the lighting is even and well lit in the foreground and the background.
- Try to avoid shadowy areas, (see above).
- Use an external mic for the best audio.
- Do a test before the final shoot to make sure it is going to work the way you want it to.
